Re: Testimonial Mr Albert Kirkman. AK Book-Keeping.

AK Book-Keeping has been doing our books for the last two years. We have found Albert to be a most valued member of our team, professional, efficient and trustworthy.

Simon and i used to do the book keeping ourselves, which took up a large part of our business and personal time. Now that we have AK Book- Keeping doing all our tax returns, wages but to name a few, we have more time to focus on the business and a lot more leisure time.
