Testimonial for Albert Kirkman & AK Booking Limited

Albert Kirkman has been handling our purchase ledger, sales ledger, payments, receipts, payroll & VAT for over two years.

He prepares our accounts for submission to our accountants which has resulted in a reduction in the accountancy fees we incur.

Throughout this time his work has been of the highest standard.

Albert is reliable, punctual & trustworthy and I am more than happy to recommend his services.

Yours sincerely,

Paul Hunt
Managing Director
