### TO WHOM IT MAY CONCERN

Albert Kirkman of AK Bookkeeping has been a valuable member of our wider team. His ability to be impartial, professional and precise ensures we are always operating on the right side of the law in every respect. Albert's diligence, eye for detail and thoroughness has saved my company several thousand pounds over a period of time.

On a personal note, he has the ability to be friendly, cooperative, flexible and reliable. He always delivers on time. He works well with third parties such as suppliers and other professionals (accountants, Government Departments such HMRC) and is not afraid to get his hands dirty when dealing with difficult debtors. From time to time I confide in Albert to contribute ideas that may improve the performance of our organisation.

I periodically review my resources (like any business should) and on each and every occasion I have decided to retain AK Bookkeeping's services. Its one area of the business I know I can depend on.

If you would like further comment, please do not hesitate to contact me.

Yours sincerely
